Dear Company Representative:

The Pennsylvania Association on Probation, Parole and Corrections (PAPPC) will be hosting their 2019 Annual Training Institute at the Sheraton Erie Bayfront Hotel, Erie, PA from May 19<sup>th</sup> through May 22<sup>nd</sup>, 2019. The Institute will draw participants from across the Commonwealth who are working in institutional and community corrections settings as well as those providing street supervision for both adults and juveniles.

PAPPC recognizes the important benefit that specialized services and innovative equipment provide to the safe and cost effective management of our agencies and institutions. The interactive participation of attendees in the exhibit area at our events has always been a significant factor in the educational goals for the Institute. We are proud of their historical involvement in establishing on-going partnerships with the creators of innovative technology and the various correctional and support services.

Please join us in Erie, Pennsylvania for what should be a very rewarding experience. Historically the association's Institute and training events are very well attended. We are planning various activities in the exhibit hall to showcase your products and services.

Attached is an exhibit registration form along with the specifics regarding booth space and ads in our Institute program. You may also wish to sponsor or co-sponsor an activity. Early registration and support will assist us in finding you a prime booth location in the exhibit hall. Please mail your completed registration form, sponsorship form, and payment, payable to "PAPPC" to me at the address listed below.
